

# SAMMIE STEPHENSON

## WEB DEVELOPER

### Profile

A young and hungry junior web developer looking to expand on development skills while adding a precise eye for detail and design as well as strong leading and collaborating skills to the Avante Health Solutions team. Creative, Accountable, and Reliable are only some of my best qualities.

## EXPERIENCE

### CODING APPRENTICE

Road to Hire

**Apr 2022- Present**

- Hands-on and self-study of multiple coding frameworks (refer to skills)
- Both lead and collaborated on multiple development projects like an e-commerce site, node app, and social reform outreach site.
- Maintained expert public speaking proficiencies and impressive interpersonal communication skills.

### TATTOO STUDIO MANAGER

Haylo Healing Arts Lounge

**2019 - 2022**

- Exquisite organization, detail orientation, and pioneering functionality of the workspace with Scheduling, inventory, and Administrative Responsibilities.
- Created regular inspiring content with active responses on multiple Social Media platforms.

### BEERTENDER

Ass Clown Brewing Company

**2019- Present**

- Daily bookkeeping, collecting, and managing funds for a \$400K+ prominent small business.
- Solely operated business needs and desires while connecting and prioritizing Customer Experience.
- Improved Oktoberfest beer sales by 20% in a single weekend with creative event planning and preparation.
